

SANITATION SERVICES

For unincorporated Salt Lake County, the Cities of Holladay, Taylorsville, Herriman, Cottonwood Heights and part of Murray City

Refuse Collection Services

Sanitation provides weekly curbside residential refuse collection. We also provide collection services to parks, libraries and other non-residential sites.

Recycle Collection Services

We offer residents an opportunity to recycle paper, cardboard, plastics, aluminum and tin. The blue recycle container is emptied every other week on the resident's regular refuse collection day.

Annual Area Cleanup Program

An annual area cleanup program is provided to district residents. Roll-off containers are placed in neighborhoods for the disposal of large bulky items, etc. Residents are notified by mail one to two weeks before their scheduled day.

Trailer Rental

Trailers are available for homeowners to rent to dispose of green waste and/or large bulky items. They are dropped off at the residence and hauled away according to schedule. There is a \$25 rental fee for a green waste trailer and a \$80 rental fee for bulk trailers.

Box Collection Program

A special pick up of moving boxes and packing material is provided to new residents. There is no charge to the homeowner for this service.

Fall Leaf Pick up

A fall leaf bag program is available each year. Trailers are placed at various locations for residents to dispose of leaves. Leaf bags are supplied at no charge.

Christmas Tree Collection

Curbside Christmas tree collection is provided each January. The trees are recycled in the composting program at the landfill.

Assist Program

Any resident with mobility limitations may request assistance with their weekly collection at no additional charge. We are happy to work individually with any resident requiring assistance.
